

Client Recreation volunteer opportunities

Volunteers help individuals with developmental disabilities eat meals, play games, make art and have fun during any given event. This may include pushing clients in wheelchairs and hand over hand assistance for clients in performing basic physical tasks such as throwing a ball or walking. All volunteers enjoy free meals when meals are provided and free tickets to events when tickets are provided. It's a great way to enhance a resume!

We need volunteers for the following activities:

Dinner and Movie
Karaoke
Bingo
Puzzle making
Board Game Club
Humane Society
Arts and Crafts
Dances
Other various activities

If you are interested, please contact the volunteer coordinator, Sue Verhoven, at 262-338-1188, ext. 506 or sverhoven@thresholdinc.org.
